**REMARKS PURSUANT TO 37 C.F.R. §1.114(C)**

Commissioner for Patents  
Washington, D.C. 20231

Commissioner:

This paper is submitted pursuant to 37 C.F.R. §1.114(c) along with a Request for Continued Examination (RCE).

It is believed that no fee is due for this filing; however, should any fees under 37 C.F.R. §§ 1.16 to 1.21 be required for any reason, the Commissioner is authorized to deduct said fees from Fulbright & Jaworski L.L.P. Account No.: 50-1212/INRP:087.

Reconsideration of the application is respectfully requested.

### REMARKS

A Notice of Allowance was sent out in this case on August 13, 2002. In a related case, Application No. 08/459,713 ("the '713 application"), claims were rejected under an obviousness-type double patenting rejection based on claims in the present case. Because the '713 application is a pre-GATT case, Applicants would prefer it issue prior to the current case. Accordingly, Applicants are filing this RCE to render the obviousness-type double patenting rejection provisional such that it can be subsequently withdrawn.

### CONCLUSION

The Examiner is invited to contact the undersigned attorney at (512) 536-3081 with any questions or comments.

Respectfully submitted,
